SUBJECT:

BILL: -

Agency Scholar-in-Residence at Kennedy School

an FBIS officer who is currently on my staff, will be going to Harvard in January as the Agency's first scholar-in-residence at the Kennedy School of Government. Bill will be working at the Kennedy School's executive training center, which holds various training programs for executives from government and private business. Harvard will soon publicly announce that an Agency scholar-in-residence is at the Kennedy School.

2. Bill returned last summer from four years overseas, and is now learning as much as he can about Headquarters, so he can be a knowledgeable representative at the Kennedy School. He would like to visit briefly with selected senior officers in the Agency to get your views on where the Agency is going, our relationship with Congress and on our contacts with the academic community. Bill will be phoning your office to arrange a 30-minute session. I am sure such a session would be useful to Bill, and I hope you will be able to spare the time.
